- Identifying and addressing matters external to the law that have potential to adversely impact client goals being realised
- Building lasting business relationships through developing reciprocal respect, trust and credibility with clients, Government departments and third party providers
- Proactively employing strong negotiation skills to liaise with the Department of Home Affairs (DHA) and other governmental authorities on behalf of her clients
- Productively organising and executing Corporate migration programmes end to end across small-medium businesses through to large enterprises
- Seemlessly providing services within the dynamics of a broad range of cultures and backgrounds
- Coaching, mentoring and leading training initiatives
- Negotiating with the DHA to secure Labour Agreements for Australian businesses
- AAT appeals and challenging migration cases involving health, character and visa refusal or cancellation issues
